

## WORKSHOP DESCRIPTION

---

This workshop is co-sponsored by the NC Urban Forest Council, NC Cooperative Extension and Asheville GreenWorks.

Join us inside on this hot summer day to learn about using edible plants in the urban landscape and integrated pest management. Hear updates about Sudden Oak Death, the honeybee situation and the proposed Landscape Contractors License, Sustainable Sites Initiative and LEEDS Certification.

Landscapers, urban foresters, professional gardeners, nurserymen and plants people alike are encouraged to attend. North Carolina pesticide credits and ISA credits will be available.
